

*Irie Foundation Presents Battle of the DJs, the Biggest DJ Competition of the Year*  
*Friday, June 1, 2018 | 8 p.m. – 11 p.m.*

Battle of the DJs puts Irie Foundation children against each other in a DJ competition that brings members of the community together as they vote for the participant with the best DJ-themed performance on stage. Irie Foundation participants began rehearsing in May, combining the skills they've learned at Irie Rhythms Academy with that of guest celebrity mentor, Nelly. These performances range from actively DJ'ing on stage, dancing to DJ beats, singing to mix-tapes, breakdancing to different tunes and more.

On Friday, June 1, 2018 at 8 p.m., Irie Foundation participants are ready to show off their talents, as a guest celebrity panel of judges rates each performance and gives their critiques. Following the contest, world-renowned singer, songwriter and entrepreneur Nelly is set to give a private concert to everyone in attendance. Tickets are \$25 a person and are available to purchase through the link below. We can't wait to see you all rocking out in the audience!
